OFFICE OF THE PRIVATE SECRETARY

OF MYSORE

To,

His Highness Sri Krishnarajendra Wodayar Bahadur, C.C.S.I.,
Maharaja of Mysore,

May it please your gracious Highness,

The humble memorial of Devamma and Channaveerayya, son of Archak Veeranna residing at Hadya, Yedatore taluk.

There is a temple dedicated to Sri Veerabhadra Swami at Hadya in the Yedatore taluk endowed with jodi lands. The lands originally granted being dry were subsequently converted into wet at a great cost of Rs.1000 and odd by our ancestors who and we are in enjoyment of the said lands from time immemorial and the worship of the temple by paying full candayam namely Rs.54 and odd though the lands are Devadaya Jodi.

The village is divided into factions. Some people petitioned the authorities to take the lands and temple into Government management on the score that the temple was in disrepair although the temple which was repaired at our own cost is in good condition. The villagers were also undertaken the cost of special worship.

The authorities without proper enquiry took forcible possession of the lands from us contrary to the standing order of the Goverrmment. According to Muzrai regulation it is in force no lands should be resumed if they are in adverse possession for more than 12 years.

There is another temple by name Anjanaya Swami in the said place endowed with inam lands. These were not resumed by Government and still in the possession of the tenants though Pujari claimed. The Deputy commissioner has ordered the lands should be retained by the tenants by paying candayam.

We have number of documents which conclusively prove that

that our ancestors and ourselves are enjoying the temple and its lands from the time immemorial though similar complaints were fruitlessly lodged formerly against our ancestors. The authorities then restored the lands to the petitioners father vide 1st Assistant Commissioner's order No.198 dated 31st January 1896.

We beg to state that the produce of the previous year was not paid to us though the lands were attached on 14th November 1914 and though we have been worshipping the temple by incurring debts.

The Deputy Commissioner has not made proper enquiry and believing the Amildar's report ordered the resumption of the lands. Government in their order No.2465/6 Muzrai F 409/14/7 dated 13th April 1916 have directed the lands under their management by fixing the scale of expenditure to the temple. The said order being very hard and as we are put to much inconvenience on account of heavy debts incurred for converting the lands into wet and paying contribution etc. and full assessment from the time of survey and settlement though no proper income was then derived we respectfully pray your gracious Highness to kindly re-consider the orders already passed and restore the lands to possession our ~~position~~ as usual with the last year's produce. The necessary documents will be produced whenever and whereever we are directed to do so.

For which act of kindness and justice we shall as in duty bound ever pray for your Highness' long life and prosperity.

His Highness Sri Krishnaraja Wadeyar Bahadur G.C.S.I.,

Maharajah of Mysore.

May it please your gracious Highness,

The humble Memorial of Devamma and Chennaveriah son of Archak Veeranna residing at Hadya, Yedatore Taluk.

There is a temple dedicated to Sri Veerabhadraswami at Hadya in the Yedatore Taluk endowed with Jodi Lands. The lands originally granted being dry were subsequebtly converted into wet at a heavy cost of ₹1000/-by our ancestors who and we are in ~~original~~ enjoyment of the said lands from time immemorial by worshipping the idol and paying the full Kandayam viz.₹54 and add to Government though the lands are Jodi. The village is divided into factions. Some people petitoned the authorities to take the lands and temple into Government management on the score that the temple was in disrepair although the temple was repaired long long ago at our cost and is in good condition. The authorities without making proper enquiry took forcible possession of the lands contrary to the standing orders of Government. According to Muzrai Regulations now in force no lands should be resumed if they are in adverse possession for more than12 years. The Patte of these lands was made in the Archak's name in 1867.

There is no hurry in this allegation (79-E)

There is another temple by name Anjeneya in the said village endoweded with Jodi dry lands. These lands were not resumed by Government on account of Kadim tenancy. The same Deputy Commissioner passed orders in favour of the tenants. We beg to submit herewith number of documents which conclusively prove that our ancestors and after them we were enjoying the temple and its endowed lands from time immemorial though similar complaints were fruitlessly lodged formerly against our own

ancestors

ancestors. The then 1st Assistant Commissioner restored the lands to our father (vide No.198 dated 31st Janury 1896 enclosed herein). We beg to submit that the produce of the last year was not paid to us though we worshipped the temple by contracting debts and though the land was attached at the harvst season. The Deputy Commissioner believing the Amildar's report ordered resumption of lands without proper enquiry. Government in their order No.2465-6/Muz.409-14-7 dated 13th April 16 have directed the lands to be taken under their management by fixing the scale of expenditure.

On 2nd November 1916 we submitted a memorial to Your gracious Highness praying that on reconsideration of the said Government Order we may be permitted to enjoy the said lands as usual with the last year's produce. We most humbly and respectfully beg to submit our pitiable circumstances once more at the feet of your Gracious Highness and pray early favourable orders being passed else we will be put to much hardship.

For which act of kindness and justice we shall as in duty bound ever pray for your Highness' long life and prosperity.

FACTS OF THE CASE.

There is a Temple by name Veerabhadraswamy at Hadya Yedatore Taluk, endowed with Jodi Lands. The Temple and the Lands are in our possession from time immemorial. Originally Sry Lands had been endowed. Our ancestors spent large amount by contracting debts and converted into wet. Government have fully assessed them and we are paying the same from the time of Survey and Settlement. If they are Inam Lands only Local Cess would have been recovered. Our ancestors spent large amount to keep the Temple in good order and worship is regularly conducting therein by contracting debts though the Lands are attached and the produce kept in Government. Once these Lands were attached in 1896 and restored to our possession. According to Muzrai Regulation our possession should not be disturbed as we are in the enjoyment for more than 12 years. Even now we will execute mutchalika binding ourselves to keep the Temple in good order and conduct worship regularly. Government may inspect whenever they like.

2. There is another Temple by name Anjaneya at the same place. Government have ordered the retention of the Lands both by the Archak and the Tenants who are in adverse posession. (vide copy enclosed).

3. There are many instances in which the Inam Lands are left with the possession of the Archaks.

4. Recently we hear that Government have ordered the restoration of Hittuvalli Venugopalaswamy Temple T.Narasipur Taluk to the Archak.
